

See It All Tours Price List (as of 10/20/2008)

Real Estate Tours:

The following prices are applicable to individual tours produced for a property sold by a REALTOR. Please contact us for a price proposal for multiple property situations.

Our premium real estate virtual tour costs \$110.00 and consists of:

- Up to 5 full 360 degree panoramas, normally the following views:
 - o Front yard (unless requested to limit the view due to construction debris or other visual negatives)
 - o Living Room
 - o Kitchen
 - o Master Bedroom
 - o Back yard (unless requested to limit the view due to construction debris or other visual negatives)
- Up to 10 stills highlighting the unique features of the home
- Two years of tour hosting. An Internet link (URL) will be provided in order to connect the tour to your website. Also included is a link which meets all MLS requirements to allow the posting of your tour to an MLS listing (if applicable)
- An "E-Card" which can be used to e-mail the tour to your customer (example attached)
- All photos are individually inspected and corrected as necessary to maximize the quality of each picture
- An Agent Portal which offers you the ability to:
 - o View the numbers of "hits" (user viewings) for each of your tours
 - o Change the background music selection (if the optional music service has been purchased)
 - o Change the selling price
 - o Change the verbiage in the listing description
- An easy to use tour viewer offering the following features:
 - o The ability to expand the size of the viewing window
 - o The option of allowing the viewer to send the tour to "a friend"
 - o A printable flyer
- Your selection of 1 out of 23 different background music pieces to play while the tour runs.

We also offer the following optional services for our virtual tours:

- Posting to REALTOR.COM will cost an additional \$20.00.
- Up to 10 additional stills can be added for a cost of \$30.00
- Higher resolution copies of any of the still photos taken of the home. These will be sized per your requirements and provided as JPEG files. The cost for these will be \$5.00 per photo.
- Additional 360 degree panoramas are available to feature other rooms and/or special features of a larger home. The cost will be \$15.00 per additional panorama.

- A CD-ROM based version of the virtual tour which can be provided to your customer. The cost will be \$15.00 for the master disc which includes a license to make as many copies as you may require.

Our stand-alone photo slide show costs \$80.00 and consists of:

- Up to 30 still images displayed in a 500 by 370 pixel viewing window
- An easy to use interface based on the one featured on our virtual tours
- Two years of tour hosting. An Internet link (URL) will be provided in order to connect the tour to your website. Also included is a link which meets all MLS requirements to allow the posting of your tour to an MLS listing (if applicable)
- All photos are individually inspected and corrected as necessary to maximize the quality of each picture

We also offer the following optional services for our slide shows:

- Posting to REALTOR.COM will cost an additional \$20.00
- Higher resolution copies of any of the still photos taken of the home. These will be sized per your requirements and provided as JPEG files. The cost for these will be \$5.00 per photo.

Commercial Tours:

Due to the diversity of the content of these tours we will work with you to develop the requirements and then prepare a price proposal for you. Please contact us for details.
